Hello Bill and Adam,

I'm following up regarding EPA's request for access to the containment cell. EPA will be finalizing a revised QAPP soon and hopes to commence sampling shortly thereafter. Therefore, please let me know if you have any questions on the Consent to Access Form or provide me with a signed original on behalf of Givaudan.

Thanks, Leena

Bill,

Attached is an electronic copy of a letter requesting access to Givaudan's containment cell. A hard copy is on its way to you. Please let me know if you have any questions.
